

Original entrance signage

Signage proposed by the Community Visioning Design Team

Entrance Signage in 2010

Manson participated in the Community Visioning Program in 2008. With the rerouting of US Highway 20, the main entrance into town became County Road N65. The Manson visioning committee decided to create a celebratory gateway along this corridor by replacing the entrance signage at the intersection of N65 and Highway 7.

The visioning design team developed signage that both illustrates Manson's new slogan, "Creating an Impact" and commemorates a piece of the town's prehistory. Nearly 74 million years ago, a meteorite hit the ground near Manson.
